MODULE 2 WORKSHEETS

TOURING YOUR CAREER OPTIONS

Brainstorm a list of jobs that could deliver your ideal day. Get your creative juices flowing by answering the following questions:

- ✓ *Who else has the lifestyle I want and what are they doing?*

- ✓ *What did I want to do when I was in high school? What qualities excited me about that career, and how could they be melded with my current skill set & interests and turned into a new career?*

- ✓ *When am I in flow? What do I do that is so effortless and joyful that I could happily do it for hours?*

- ✓ *What feels “easy” to me? What do my friends tell me I’m so good at?*

- ✓ *What seems “obvious” to me? What is so abundantly clear to me that I wonder why others don’t see it or do it?*

- ✓ *What are my inexhaustible interests? What topics can I never get enough of?*

- ✓ *What do I gravitate toward in my current career? Make a list of the things you enjoy about your current career:*

- ✓ *What do I think should exist in the world but doesn't? What do I think people should be able to buy or eat or read that is not out there right now?*

Based upon what you came up with above, make a list of 7-10 jobs that could deliver your ideal day:

1. _____
2. _____
3. _____
4. _____
